ANGUS & HEREFORD PRODUCTION SALE

38

Randy and Kelly Owen

It's truly a blessing to welcome everyone to our 38th annual production sale. Where has the time gone?

It's been such a pleasure for me and Kelly to watch the progress that Randa and John have had since coming back to the farm. Now we're blessed with six beautiful grandkids, two of which live here on the farm.

So many friends have been made during our years in the Hereford and Angus business. We treasure every one!

We can't do what we love so much without the support, participation, and encouragement from our customers. We thank everyone who has ever participated, in any way, with our production sales. This is truly a people business, and we love every one of you. We didn't get to have 38 production sales without the help and support of literally hundreds of friends and customers. We're truly blessed to have so many customers who have become friends and friends who have become customers. If you've been part of our production sales before, "thank you." If this is the first time you're participating in our sale, we want to make you a lifetime friend and customer.

Come see us and enjoy what we strive to do every day with our Hereford and Angus. The offering this year is incredible. I am so filled with joy when I see what's being offered.

God bless. Stay healthy and safe,

Randy Owen

since 1981

DIXIELAND DELIGHT 38

SALE BEGINS AT 12 NOON (CDT)

What a blessing it is to welcome you to our 38th Production Sale! Last year, due to Covid-19 and the health of each one of you, we made the decision to push our sale back to the Saturday before Memorial Day. At the time of writing last year's sale letter, we never imagined that Covid-19 would still be considered a current event going on in our world today. While there is still a world of unknowns, there seems to be light at the end of the tunnel. Throughout the course of the past several weeks, both live cattle and fat cattle prices have seen a tremendous increase, with fall futures being very promising. As for most of you reading this, we had a tough, cold, wet winter. While much has changed since the writing of our last letter—namely feed costs and rising gas prices, one thing is certain, and that is our focus to provide you with the most fault-free genetics we can. We are able to do what we love each and every day by the support of each of you.

It seems as though we say it each year, but this is the best set of cattle we have ever offered. Like each of you, our goal is to get better each year, so it may seem like a rhetorical statement, but we believe it to be true each time we write it. The fall split pairs are the deepest, most uniform set we have had the pleasure to share with you, with most of them being first-calf heifers. The fall heifer calf splits being offered are as deep a set of calves as we have ever put together. There are some true sale features within both breeds in the spring pair division, most with heifer calves selling alongside their dam. The calves at side offer breed-leading EPDs without sacrificing the basics we breed for: depth of body, udder integrity, foot quality and the look that we desire. Three very exciting lots are spring ET heifer calves right from the heart of our herd that are true donor prospects that we hope will make an impact for their new owners. Within both breeds, the quality is incredibly deep. We think you will like what you see come sale day, and that is always our goal.

We are truly blessed to work side by side with our family and loved ones. Living and working with family on our cattle operation is something we don't take for granted, and we are forever grateful to the good Lord above for the blessings of being able to do what we love. We can't thank "Da" Roland, Nonnie, Poppy and Mimi enough for all they do here at TRM and for us as a family. Joseph and his wife, Whitney, have been here almost three years and have been a blessing to TRM. Stephanie keeps everything rolling at Lookout Mountain Genetics. New additions to our working family are Tyler Griggs and Chuck Wright, who have both been great new assets to our operation.

It's said the days are long, but the years are short. Ranch life sure makes that statement ring true, as we work sun up 'til sun down. Honesty and integrity are something we take very seriously, and our motto is quite simple: *We raise the type and kind of livestock that are stout, sound and functional and can flat get the work done all while having respectable EPD profiles.* We have never chased EPD fads and breed for a more uniform, balanced animal that can thrive in our Southeastern environment. Everything we know about the cattle, you will too. Our customers, both big and small, mean the world to us, and we realize that without each and every one of you, none of what we do would be possible. We are forever indebted to our past, present and future customers.

Please make plans to join us Friday, April 30 to view the cattle and enjoy fellowship. If you ever need anything, or if we can help you in any way, please don't hesitate to call anyone here at the ranch. We appreciate you and value your friendship more than you could imagine. *We are blessed to call TRM customers our friends and colleagues, and we would love the opportunity to work with you.*

Sincerely,

John and Randa Starnes

Two Breeds - One Legendary Sale!

Hereford LOTS 1-22

Angus LOTS 101-133

— 98 head plus embryos and semen —

Herefords sell first, followed immediately by Angus

Saturday, May 1st

Dear Friends and Fellow Breeders,

Welcome to the 38th Annual Dixieland Delight Sale at Tennessee River Music, Inc. Their 2021 sale again features the best of both breeds at TRM, and I hope you will join us for this "Red, White and Black" event.

I would first like to thank Randy, Kelly, John, Randa, Roland and the rest of the TRM crew for again allowing me to assist them in the marketing of this exceptional set of cattle. John and Randa continue to embrace their role as parents to Harper and John Owen and their management role here at TRM. With the help of their family and crew, they have again assembled a tremendous offering, and the presentation of the cattle is second to none.

This year's edition of the Dixieland Delight features a tremendous set of fall pairs in both breeds as well as an elite set of spring pairs that continue the tradition of offering sound, functional cattle that excel in phenotype and individual performance while maintaining a strong genetic base with numerical balance and diversity. Whether you are simply adding to your herd, seeking a donor dam, a junior herd sire, or you're looking for your next show ring champion, you will find it among this exceptional offering.

For those of you who have not attended a TRM sale, you are in for a real treat. This is a family operation, and the hospitality and entertainment extended by the Owen family is like no other. They work very hard on the presentation of the cattle, and you are sure to appreciate their efforts once you lay eyes on this exceptional offering.

Please evaluate the needs of your operation and plan to join us Friday, April 30th to preview the cattle and on Saturday, May 1st for this great event. Please do not hesitate to call me with any questions on either breed or if I can help you in any way.

Sincerely,

Matt Sims

Fort Payne Area Attractions

While visiting Tennessee River Music, you will find that Fort Payne has much to offer, including the group Alabama's Fan Club and Museum, downtown Fort Payne, and the beautiful Little River Canyon National Preserve Park, located just one mile from TRM. *We hope you enjoy your visit to TRM and the lovely city of Fort Payne!*

SALE TERMS AND CONDITIONS

Cattle will sell under the suggested Terms and Conditions of their respective breed association, either the American Hereford Association (www.hereford.org) or the American Angus Association (www.angus.org).

HERD HEALTH

All cattle will be accompanied by proper health certificates for immediate shipment.

TRUCKING

Truckers believed to be reliable will be available to assist you in the delivery of your purchases.

LIVESTOCK MORTALITY INSURANCE

To properly insure your investment, James F. Bessler, Inc. will be available to assist you with mortality insurance coverage. Phone (815) 762-2641.

SUPPLEMENTAL INFORMATION

A supplemental sheet will be available sale day with complete and up-to-date information. Announcements from the auction block regarding the cattle selling in this sale take precedence over information listed in this catalog or other advertising. Up-to-date genetic recessive status can be viewed online at www.hereford.org or www.angus.org.

EXPECTED PROGENY DIFFERENCES

The EPDs included were current as of 4/7/21. The most current information may be viewed on the individual breed websites.

LIABILITY

As the sale manager, Matt C. Sims Auction, Inc. is only an agent for the seller and has no responsibilities other than those involved in conducting the sale. All persons who attend this sale do so at their own risk. The owners, sale manager and the sale staff assume no liability, legal or otherwise, for property loss or any accidents that may occur.

& Lots 102A-102D**

CF FLY BIS 110

Dam of Lots 101A-B-C-E & Lots 102A-B-C-D

- The donor dam of Lots 101A-101E and 102A-102D, CF Fly Bis 110, was the \$44,000-valued top selling Angus female in the 2015 Dixieland Delight. She is a beautiful and powerful donor female that is a direct daughter of the Pathfinder Sire and bull that led the breed for registrations, Bismarck, back to a daughter of the Pathfinder and ABS Global sire Mytty In Focus and the Pathfinder granddam CF Fly Plus 2906.
- We think these heifers are carbon copies of their powerful dam and offer balance and eye appeal without sacrificing maternal strength. Their added dimension and broodiness suggest long-term value and true return on investment. Whether enhancing your herd's visual quality or adding to your donor pen, these are females you do not want to miss.

E&B PLUS ONE

Sire of Lots 101A-B-C-E

- The sire of Lots 101A–B–C–E, E&B Plus One, was the most widely used yearling bull of his calf crop at ORIgen. This \$68,000 top-selling bull of the 2019 Benoit sale in Kansas is a thick, deep and square hipped son of the very popular Confidence Plus.
- The Pathfinder Dam of Plus One has weaned six natural calves with an average ratio of 108 and recorded an IMF ratio of 162 in the Benoit calf crop in addition to recording a 14.6 adjusted URE measure.
- A flush sister to Plus One sold as the \$200,000 top-selling bred heifer of the 2019 sale at Spruce Mountain Ranch, with the first pregnancy from her selling for \$47,500 in the spring of 2020 at Crazy K Angus.

• These maternal sisters to Lots 101A-101D are a month younger but equally impressive in terms of phenotype.

• Their sire, Sitz Stellar, is a powerhouse individual that combines an outcross, proven pedigree with great maternal design. He is also a proven foot quality improver, ranking at the very top of the Main Sire list for combined Foot Score EPDs. This thick topped and deep sided bull transmits added substance, fleshing ability and muscle shape to his progeny, and these daughters exhibit that heterosis.

CF FLY BIS 110

Dam of Lots 101A-102D

- CF Fly Bis 110 is one of the best Bismarck daughters in existence, possessing a tremendous number scheme and impeccable phenotype. This absolute powerhouse had an individual BW ratio of 95, WW ratio of 106 and stems from a dam that records 2@107 for WW.
- A daughter of 110 by SAV Rainfall sold as the top open heifer in the 2019 Dixieland Delight to Farmington Angus and Deer Ridge Angus for \$13,250. Other daughters sold in the 2016 Dixieland Delight to Burns Farms, Pikeville, TN, and Jared Ray Aden, Saint Joseph, IL, for an impressive average of \$5,125, while another daughter by Denver sold to Pollard Farms in Oklahoma for \$12,000 from our 2015 sale.

- The \$460,000 sire of this mating, Rainfall, was a member of the world record flush sold at auction for over \$2 million. The next great calving ease sire from Schaff Angus Valley, as his first progeny have improved his CED and BW EPDs. He sires added length, soundness and unmistakable herd bull presence in his sons. His daughters are stunning in an elegant maternal package. Rainfall sets himself apart with his dominating hip and rear leg structure with muscle shape and flawless phenotype. A \$Weaning leader that offers strong Marb and REA predictions in an easy fleshing, big-bodied, good footed design. He brings calving ease, maternal strength and performance together. Rainfall sired the top priced bull and female at the 2020 SAV sale at \$250,000 and \$450,000, respectively, with his first calf crop.

- Selling a package of four conventional embryos.

- Sells with recipient dam 1542.

- The dam of the donor prospects selling as Lots 103A-103C, CAM Goode A442, was the \$27,500 selection of Pollard Farms in the 2020 Dixieland Delight. A442 produced G A R Sure Fire A8005, the \$80,000 half interest third top-selling selection of DNB Co., LLC of North Platte, NE, from the 2020 Gardiner Angus Ranch Sale, where his full brother, G A R Sure Fire A8014, also sold for \$10,000.
- Backed by years of breeding diligence and industry experience, the sire of these sisters, GAR Home Town, lines up below-average stature with calving ease, exceptional performance and an elite set of EPDs for carcass merit. You won't find many bulls that are higher for Marbling or \$Combined and backed up by generations of proof like Home Town is. He is phenotypically right—big-hipped and wide based with an attractive herd bull presence in a moderate frame.
- The foundation is set for genomic enhancement to have one or all of these sisters knock it out of the park numerically.

Updated EPDs on all sale cattle will be available sale day.

- This true F1 prospect is sure to garner the same attention as the other black baldy females we featured both in our 2020 production sale and last fall in our bull sale.
- We strongly believe that the Hereford/Angus female is the ultimate cross, so at TRM we breed one round AI and then turn in a Hereford bull with our Angus cows and an Angus bull with our Hereford cows. This way we can easily identify AI-sired calves and continue to add to our commercial herd of black baldy F1 females with genetics from our top end of both breeds.
- Sells open.

- The sire of Lots 112A and 113A, Entice, is wide based and long bodied with exceptional depth of rib and thickness. He offers a very pleasing phenotype in a growth oriented mid-six frame score and does very well from a carcass standpoint. He recorded a 4.94 IMF score with a ratio of 118 and a ribeye measurement of 17 sq. in. with a ratio of 114. He has a good disposition, which is validated by his score of 1 on the 50K test for Docility.
- Ranks in the top 1% for CED; top 2% for BW; top 4% for Milk; top 10% for \$W; top 15% for Doc.
- Sells open.

+6	-0.3	+56	+97	+25	+16	.49	.56	+23	.54	.38	+204

- The \$460,000 sire of this mating, Rainfall, was a member of the world record flush sold at auction for over \$2 million. Believed to be next great calving ease sire from Schaff Angus Valley, and his first progeny have improved his CED and BW EPDs. He sires added length, soundness and unmistakable herd bull presence in his sons. His daughters are stunning in an elegant maternal package. Rainfall sets himself apart with his dominating hip and rear leg structure with muscle shape and flawless phenotype. A \$Weaning leader that offers strong Marbling and REA predictions in an easy fleshing, big bodied, good footed design. He brings calving ease, maternal strength and performance together—fundamental elements to build from. Rainfall sired the top selling bull and female at the 2020 SAV sale at \$250,000 and \$450,000, respectively, with his first calf crop.
- Selling a package of four conventional embryos.

the MARKET RAISING BEEF FROM OUR FAMILY'S FARM to your family's table.

OUR CATTLE RANCH consists of Angus and Hereford genetics, with an emphasis on quality in all facets from pasture to rail. The cattle spend the majority of their lives grazing lush, green grass before being finished on a grain-based ration to maximize marbling and taste. We strongly believe the key to quality meat is comfortable, respected and humanely-raised animals. High-quality animals yield a high-quality product. We have a deep love and respect for agriculture, our community, our livestock and the land that has been passed down for generations here in Northeast Alabama. The Market at TRM was created as a way to share our locally-sourced beef with the community. Our dream has long been to bring to families the same homegrown, healthy beef that our families have been enjoying for decades. We believe in all aspects of the cattle industry, and we admire and respect the versatility of the beef animal in all that it provides. We appreciate the opportunity to join you and your family at the dinner table!

lot 1B

- Lots 1A-1D are the first daughters we have offered out of Knockout Rose, who was our \$13,000 half interest selection from the 2018 Sims Family Cattle joint production sale. We feel they represent the consistency of this cow family and Rose's ability to produce great results when mated to a multitude of sires. Regardless of whether you are looking for a show prospect or your next donor, we feel you will find one of these sisters to suit your needs.
- Prior to going into production, Knockout Rose was named Reserve Supreme Champion Bred-and-Owned Female at the 2014 Tulsa State Fair and the 2015 Oklahoma Youth Expo; Reserve Grand Champion Female at the 2014 and 2015 Tulsa State Fair Junior shows, Grand Champion Female at the 2015 Oklahoma State Fair Open Show and the 2015 OJCA Preview Show; division champion at the 2014 American Royal Junior and Open shows; and a class winner at the 2015 Junior National Hereford Expo.
- Granddam Rosie D96 was Supreme Champion Female at the 2010 OJCA Preview Show and Champion Hereford Heifer at the 2011 Oklahoma Youth Expo. D96 is from a highly successful flush that mated the Denver Supreme Champion BR Moler ET to the famous Day/Barber donor BR 122L Rose 4020 ET.

- The sire of this mating, KLD RW Marksman D87, is a polled sire that is capturing the attention of everyone who sees him. His many accomplishments in the show ring include being named Grand Champion Polled Bull at the Fort Worth National Hereford Show, Polled and Reserve Champion Bull at the 2021 Cattlemen's Congress, 2020 Hereford Heritage Show in Abilene, TX, and the 2020 American Royal in Kansas City for his owners, JMS Ranch, Morris Hereford Farms, Kirbie Day Sims and Neal McCoy, all from Texas. Marksman's dam is the standard of quality in the Hereford breed. As you research Hereford donor cows, you will find that she is one of the elite. She has consistently raised champion caliber cattle that have great earning power. Daughters sold in excess of \$60,000 last sale season.
- We are excited about this mating to Knockout Rose that combines two of the most prolific cow families in the KLD herd, Mindy and Rose.
- Selling a package of four conventional embryos.

• The sire of this mating, /S Mandatory 88573, was the \$21,000 top selling selection of Tennessee River Music and Lookout Mountain Genetics from the 2020 Shaw Cattle Company bull sale. His dam is a direct daughter of 8066, the \$10,000 selection of Pete Loehr from the inaugural Shaw female sale and is a sister to /S TRM Fort Payne 44573, the \$17,500 selection of TRM from the 2016 Shaw bull sale as well as the \$13,250 selection of Upstream Ranch from the 2014 Shaw bull sale and produced another son that was among the top sellers in the 2013 Shaw bull sale. We are pleased with the Mandatory calves we have in this offering and on the side of many of our spring-calving females and are excited to see how they develop.

- The dam of this mating is one of our top donors and records ratios of 4@95 for BW and 4@105 for WW.
- Selling a package of four conventional embryos.

- This beautifully uddered daughter of Fort Payne leads off a deep set of spring pairs in this year's offering.

- The donor dam of Lot 10, /S Lady Thor 2447Z, was TRM's \$43,000 top selling selection from the inaugural Shaw Female Sale and was named Division IX Champion at the 2014 JNHE. Since that time, she has taken her place at the helm of the TRM donor program. In the 2018 Dixieland Delight, a daughter by Double Your Miles was the \$7,500 Lot 1 selection of Express Ranches, while another daughter and her heifer calf at side combined to sell as a \$17,500 pair. In the 2017 Dixieland Delight, a heifer pregnancy sold for \$10,000 to Shaw Cattle Co., and in the 2016 Dixieland Delight, 2/3 interest in a maternal brother to Lot 1 sold for \$30,000 to the Hammer Down Group, while a maternal sister heifer pregnancy by CHAC Mason 2214 was selected for \$11,000 by GKB. In the 2015 Dixieland Delight, a flush on 2447 sold to Churchill for \$18,500, while half interest in a maternal sister to Lot 1 sold for \$17,000 to Bob Morris of Texas.

- Ranks in the top 2% for Fat; top 15% for SC, Marb and \$CHB; top 20% for CED, CW and RE.
- Records a ratio of 1@104 for WW.
- Dam records ratios of 2@105 for WW; 1@101 for YW; 5@104 for REA; 5@102 for IME.
- Sells open.

- D973 is a true sale feature and sure to be among the favorites in this year's offering with her combination of flawless phenotype and balanced numerical profile.
- We selected this outstanding daughter of Revolution as a bred heifer from the Wheeler Farms production sale. Truth be told, we probably should be retaining her as a part of our donor herd, but we try offer our best females before they reach six years of age and she falls into that group.
- Ranks in the top 2% for Teat; top 4% for RE; top 5% for Udder.
- Records 2@98 for BW from a dam that records a ratio of 1@102 for YW.
- Sells open.

LOOKOUT MOUNTAIN GENETICS

A CUSTOM COLLECTION FACILITY

LOOKOUT MOUNTAIN GENETICS, LLC

is located in Northeast Alabama atop Lookout Mountain, and we are here to serve all of your custom bull collection needs.

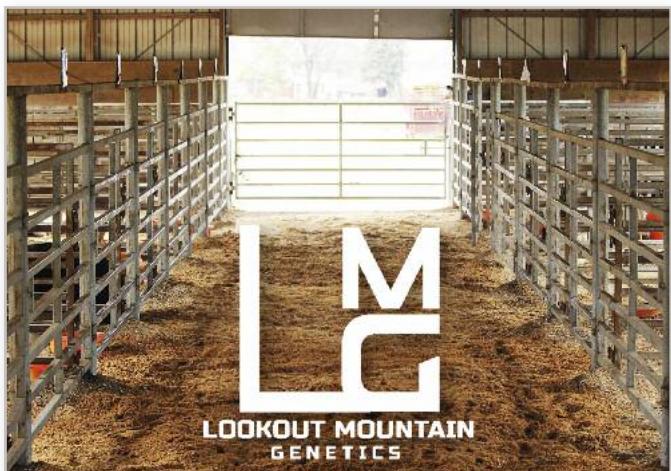

We package 40 million cells per unit...every bull, every customer!

- Bull Housing
- Semen Collection
- Semen Storage and Distribution

At Lookout Mountain Genetics, the safety and health of animals entering and boarding at our facility are our No. 1 priorities. We strive to maintain a clean, comfortable housing environment with an emphasis on an optimal nutritional program suited for the reproductive performance of bulls.

Please feel free to contact us anytime regarding your semen collection, storage and distribution needs.
