DIXIELAND DELIGHT Red, White & Black ANGUS & HEREFORD PRODUCTION SALE

40 plus years ago, Kelly and I bought our first Hereford cattle. It's been such a blessing to make so many friendships and to meet so many great breeders. So many great memories! Some great friends that we've lost; so many we've gained. We've been fortunate enough to do something we truly enjoy.

Looking forward with every calf crop, we've strived to improve our breeding program. We're truly grateful for everyone who has ever attended our Dixieland Delight sales. To the purchasers over the past 40 years, I say "THANKS" for keeping us in the business and for keeping the dreams of a "Country Boy" alive and well.

It hasn't been easy, but thank God we've survived the past 40-plus years. Please feel free to call us for any questions. We thank you for all you've meant to our program.

Looking forward to another 40!!!!

Thanks and God Bless,

Randy

Randy and Kelly Owen

"Words From Mimi"

I've witnessed our dreams come true when Randa started showing at age 11. What heartfelt years I spent watching her do what she loves and continues to do. Now the second generation has entered into our lives. "Oh, the circle of life!" Harper Rose is on the show road now! Poppy and I are so proud to be alive and watch her continue the love and passion we hold so dear in our family.

Always picking pens or helping out,

Mimi

John, Randa, Harper and John Owen Starnes

have to do." We feel, without a doubt, that the opportunity for us to acquire that set of cattle was a "have" to moment in our lives and an opportunity we could not pass on. We are very excited to share those genetics with you and to have them a part of our program.

While there's not as many in the fall pair division of this sale, it is loaded with quality and true sale features, including the first Merit-sired calves to be offered at auction. We are very excited about the future of Merit in the way his calves maintain very high-quality phenotype and possess EPDs not often found in the Hereford breed. He truly is a "rare air" Hereford AI sire. We are loaded for bear in our spring Hereford pair division. There are 74 Hereford spring pairs, with all but two having heifer calves. They will receive one service AI before the sale, so there is a strong possibility of buying 3-in-1 pairs. We don't know where to start on featuring the spring pairs. They are loaded with the most notable cow families in the Hereford breed. There are several maternal sibs to Mandate, and several out of Mandate's flush sister, the immortal 7201 female. *The opportunities are endless, with many of these females needing to enter into a donor program.* We are excited for each of you to see what we have to offer.

We are truly blessed to work side by side with our family and loved ones. Living and working with family on our cattle operation is something we don't take for granted, and we are forever grateful to the good Lord above for the blessings of being able to do what we love. We can't thank "Da" Roland, Nonnie, Poppy and Mimi enough for all they do here at TRM and for us as a family. Tristin and Chuck keep everything rolling at Lookout Mountain Genetics. Tristan Tilley and John Eberhart have stepped up to the plate in a big way with all the daily tasks that are too long to mention in this letter. It would take a book to write what all they do throughout the days and weeks here at TRM. We are truly blessed with a great crew, and without each of them and yourselves, we wouldn't be able to do any of this. It's said the days are long, but the years are short. Ranch life sure makes that statement ring true, as we work sun up 'til sun down.

Honesty and integrity are something we take very seriously, and our motto is quite simple: *We raise the type and kind of livestock that are stout, sound and functional and can flat get the work done all while having respectable EPD profiles.* We have never chased EPD fads and breed for a more uniformed, balanced animal that can thrive in our Southeastern environment. Everything we know about the cattle, you will too. Our customers, both big and small, mean the world to us, and we realize that without each and every one of you, none of what we do would be possible. We are forever indebted to our past, present and future customers.

Please make plans to join us Friday, May 5, to view the cattle, participate in a Hereford Women's fundraiser themed "Cinco de Mayo," and last but not least, fellowship. If you ever need anything or if we can help you in any way, please don't hesitate to call anyone here at the ranch. We appreciate you and value your friendship more than you could imagine. *We are blessed to call TRM customers our friends and colleagues, and we would love the opportunity to work with you.*

**Celebrate 40 annual Dixieland Delight sales with us
Saturday, May 6th in Fort Payne, Alabama!**

What a blessing it is to welcome you to our 40th Production Sale! Let this letter serve as your official invitation to attend. It is safe to say this has been one of the most challenging winters that we have had in the past several years, and just when we have a few days of spring weather, winter shows back up, not willing to raise the white flag quite yet. While much has changed throughout the course of the year—namely for us the acquisition of the entire spring-calving Shaw female herd, one thing is certain, and that is our focus to provide you with the most fault-free genetics we can. **We are able to do what we love each and every day by the support of each of you.**

It appears we say it each year, but this is the best set of cattle we have ever offered. With it being our 40th consecutive female sale, it is also our largest offering to date. When we were presented with the opportunity to purchase the spring-calving Hereford herd from Shaw Cattle Company, it was an opportunity we couldn't pass up once we saw the tremendous quality of the cattle in person. As Taylor Sheridan, the creator and writer of "Yellowstone," said about his purchase of the historic 6666 Ranch in Texas, "There's things that come up in life that you *need* to do, and some come up you feel like you

have to do." We feel, without a doubt, that the opportunity for us to acquire that set of cattle was a "have" to moment in our lives and an opportunity we could not pass on. We are very excited to share those genetics with you and to have them a part of our program.

While there's not as many in the fall pair division of this sale, it is loaded with quality and true sale features, including the first Merit-sired calves to be offered at auction. We are very excited about the future of Merit in the way his calves maintain very high-quality phenotype and possess EPDs not often found in the Hereford breed. He truly is a "rare air" Hereford AI sire. We are loaded for bear in our spring Hereford pair division. There are 74 Hereford spring pairs, with all but two having heifer calves. They will receive one service AI before the sale, so there is a strong possibility of buying 3-in-1 pairs. We don't know where to start on featuring the spring pairs. They are loaded with the most notable cow families in the Hereford breed. There are several maternal sibs to Mandate, and several out of Mandate's flush sister, the immortal 7201 female. *The opportunities are endless, with many of these females needing to enter into a donor program.* We are excited for each of you to see what we have to offer.

We are truly blessed to work side by side with our family and loved ones. Living and working with family on our cattle operation is something we don't take for granted, and we are forever grateful to the good Lord above for the blessings of being able to do what we love. We can't thank "Da" Roland, Nonnie, Poppy and Mimi enough for all they do here at TRM and for us as a family. Tristin and Chuck keep everything rolling at Lookout Mountain Genetics. Tristan Tilley and John Eberhart have stepped up to the plate in a big way with all the daily tasks that are too long to mention in this letter. It would take a book to write what all they do throughout the days and weeks here at TRM. We are truly blessed with a great crew, and without each of them and yourselves, we wouldn't be able to do any of this. It's said the days are long, but the years are short. Ranch life sure makes that statement ring true, as we work sun up 'til sun down.

Honesty and integrity are something we take very seriously, and our motto is quite simple: *We raise the type and kind of livestock that are stout, sound and functional and can flat get the work done all while having respectable EPD profiles.* We have never chased EPD fads and breed for a more uniformed, balanced animal that can thrive in our Southeastern environment. We appreciate you and value your friendship more than you could imagine. *We are blessed to call TRM customers our friends and colleagues, and we would love the opportunity to work with you.*

Welcome to the 40th Annual Dixieland Delight!

Dear Friends and Fellow Breeders,

Welcome to the 40th Annual Dixieland Sale at Tennessee River Music, Inc. The 2023 edition of the TRM spring female production sale is the largest offering to date and is a celebration of over four decades in the registered seedstock business. Once again, this sale features the best of both breeds here at TRM, and I hope you will join us for this "Red, White and Black" event.

I would first like to thank Randy, Kelly, John, Randa, Roland and the rest of the TRM crew for again allowing me to assist them in the marketing of this exceptional set of cattle. John and Randa continue to embrace their role as parents to Harper and John Owen and their management role here at TRM. With the help of their family and crew, they have again assembled a tremendous offering, and the presentation of the cattle is second to none.

This year's edition of the Dixieland Delight features a tremendous set of Hereford spring cow/calf pairs that were acquired in their acquisition of the Shaw Cattle Company spring herd in 2022, as well as fall pairs in both breeds that continue the tradition of offering sound, functional cattle that excel in phenotype and individual performance while maintaining a strong genetic base with numerical balance and diversity. Whether you are simply adding to your herd, seeking a donor dam or a junior herd sire, or you're looking for your next show ring champion, you will find it among this exceptional offering.

For those of you who have not attended a TRM sale, you are in for a real treat. This is a family operation and the hospitality and entertainment extended by the Owen family is like no other. They work very hard on the presentation of the cattle, and you are sure to appreciate their efforts once you lay eyes on this exceptional offering.

Please evaluate the needs of your operation and plan to join us on Friday, May 5th to preview the cattle and on Saturday, May 6th, for this great event. Please do not hesitate to call me with any questions on either breed or if I can help you in any way.

Sincerely,

Matt Sims

SALE TERMS AND CONDITIONS

Cattle will sell under the suggested Terms and Conditions of their respective breed association, either the American Hereford Association (hereford.org) or the American Angus Association (angus.org).

HERD HEALTH

All cattle will be accompanied by proper health certificates for immediate shipment.

TRUCKING

Truckers believed to be reliable will be available to assist you in the delivery of your purchases.

LIVESTOCK MORTALITY INSURANCE

To properly insure your investment, James F. Bessler, Inc. will be available to assist you with mortality insurance coverage. Phone (815) 762-2641.

SUPPLEMENTAL INFORMATION

A supplemental sheet will be available sale day with complete and up-to-date information. Announcements from the auction block regarding the cattle selling in this sale take precedence over information listed in this catalog or other advertising. Up-to-date genetic recessive status can be viewed online at www.hereford.org or www.angus.org.

EXPECTED PROGENY DIFFERENCES

The EPDs included were current as of 4/12/23. The most current information may be viewed on the individual breed websites.

LIABILITY

As the sale manager, Matt C. Sims Auction, Inc. is only an agent for the seller and has no responsibilities other than those involved in conducting the sale. All persons who attend this sale do so at their own risk. The owners, sale manager and the sale staff assume no liability, legal or otherwise, for property loss or any accidents that may occur.

IN THE SPRING OF 2022, the loss of a longtime pasture lease led to one of the largest buying opportunities the Hereford breed has ever known from one of the breed leaders in registrations. Tennessee River Music, Inc. chose to take advantage by purchasing 200 spring pairs and 100 spring bred heifers from Shaw Cattle Company in Idaho. They were immediately rewarded for their investment when one-half interest in the pick of the two-year-old spring pairs sold as added Lot X in last year's Dixieland Delight to Salt Log Branch for \$50,000. TRM was no stranger to the quality of Shaw females and already knew firsthand that these cows work in any environment. Bred in a Hereford herd that spans over 85 years and four generations and represents three past presidents of the American Hereford Association, these females feature genetically enhanced EPD profiles that are among the best in the breed, along with impeccable phenotype and udder quality from highly proven pedigrees. Take advantage of this opportunity and let them work for you!

From left: Matt Sims, Sam Shaw, Randa and John Starnes, Tucker Shaw

The 40th Annual Dixieland Delight Hereford offering is largely the result of TRM's purchase of 300 spring-calving females from Shaw Cattle Co. in April 2022.

*Daughters of
/S Lady Domino 0158X,
the dam of Mandate,
sell as Lots 5–8*

These two-year-old Mandate daughters are an outstanding set of paternal sisters that exhibit the combination of maternal look, flawless phenotype and economically important traits that have led to the popularity of their \$62,000 sire, who continues to positively impact the Hereford breed.

Spring Cow/Calf Pairs

lotg 9-75

NOTE:

Breeding information on the spring calves will be available on the sale supplement and online at mcsauction.com. The spring calves selling at side are registered, and their EPDs are included in the catalog.

- TRM, Sims Family Cattle and Wheeler Farms selected the dam of Lot 72 as the \$34,000 second top-selling lot of the 2014 Shaw Female Sale, where maternal sib embryos to Lot 72 sold for \$1,400 per embryo to GKB Cattle. 94X is a full sister to the dam of the Champion Heifer at the 2013 Western Nugget at Reno, exhibited by the Holt Family.
- A maternal sister sold in the 2015 Dixieland Delight Sale for \$11,000 to Fenton Farms in Oklahoma, while another maternal sister sold in the 2015 Shaw Female Sale for \$5,750 to Sul-Tay Polled Herefords in Alabama. Maternal brothers have been featured in both the Shaw bull sale and the High Cotton bull sale at TRM.
- The third dam of Lot 72, FMC Fergs Pride, was a \$27,000 donor at Star Lake following her success at Split Butte Cattle Co. Granddam SB 62J Mirada 61N ET was a prolific donor for Split Butte and Pelton.
- Ranks in the top 1% for Udder and CW; top 3% for Teat; top 20% for MCW.

• The \$82,000-valued dam of this mating, Knockout Rose, was the \$41,000 half-interest top-selling selection of Abby Hill from the 2021 Dixieland Delight Sale, where four daughters also sold for a total of \$50,000 to average an impressive \$12,500. Four full sib embryos to this mating sold for \$2,000 each in the 2021 Dixieland Delight Sale, only to be topped by the four embryos from the same mating that sold in the 2022 Dixieland Delight for \$2,500 per embryo.

- A full sister to this mating was the \$12,000 co-top-selling heifer calf in the 2022 Wheeler/MCS/Sims Production Sale.
- Prior to going into production, Knockout Rose was named Reserve Supreme Champion Bred-and-Owned Female at the 2014 Tulsa State Fair and 2015 Oklahoma Youth Expo; Reserve Grand Champion Female at the 2014 and 2015 Tulsa State Fair junior shows; Grand Champion Female at the 2015 Oklahoma State Fair open show and 2015 OJCA Preview Show; division champion at the 2014 American Royal junior and open shows; and a class winner at the 2015 Junior National Hereford Expo.
- The granddam of Lots 23A and 23B, KLD BR Rosie D96 ET, was named Supreme Champion Female at the 2010 Oklahoma Junior Cattlemen's Preview Show and Champion Hereford Heifer at the 2011 Oklahoma Youth Expo. D96 is from a highly successful flush that mated the Denver Supreme Champion BR Moler ET to the famous Day/Barber Ranch donor BR 122L Rose 4020 ET.
- The sire of this mating, KLD RW Marksman D87, is leaving his mark on Hereford show rings across the country after accomplishing multiple show ring wins himself.

Email: info@lookoutmountaingenetics.com

www.lookoutmountaingenetics.com

OUR CATTLE RANCH consists of Angus and Hereford genetics, with an emphasis on quality in all facets from pasture to rail. The cattle spend the majority of their lives grazing lush, green grass before being finished on a grain-based ration to maximize marbling and taste.

We strongly believe the key to quality meat is comfortable, respected and humanely-raised animals. High-quality animals yield a high-quality product. We have a deep love and respect for agriculture, our community, our livestock and the land that has been passed down for generations here in Northeast Alabama. **The Market at TRM** was created as a way to share our locally-sourced beef with the community. Our dream has long been to bring to families the same homegrown, healthy beef that our families have been enjoying for decades. We believe in all aspects of the cattle industry, and we admire and respect the versatility of the beef animal in all that it provides. We appreciate the opportunity to join you and your family at the dinner table!

lots 102-113

CF FLY BIS 110

Dam of Lots 102-104

- The now-deceased donor dam of Lots 102–104, CF Fly Bis 110, was the \$44,000-valued top-selling Angus female in the 2015 Dixieland Delight Sale. 110 was a beautiful and powerful donor daughter of the Pathfinder Sire and bull that led the breed for registrations, SAV Bismarck 5682, back to a daughter of the Pathfinder Sire and ABS Global AI sire Mytty In Focus, and back to the Pathfinder granddam CF Fly Plus 2906. 110 was one of Bismarck's best daughters with a tremendous number scheme and impeccable phenotype. This absolute powerhouse had an individual birth ratio of 95, weaning ratio of 106 and stems from a dam that records WR 2@107.

- Three maternal sisters to Lots 102–104 led off the Angus offering in the 2021 Dixieland Delight, grossing \$18,500 to average \$6,167. Four maternal sib embryos sold for \$700 each in that offering.
- Another maternal sister to Lots 102–104 by S A V Rainfall sold as the top open heifer in the 2019 Dixieland Delight Sale to Farmington Angus and Deer Ridge Angus for \$13,250. Other maternal sisters to Lots 102 through 104 sold in the 2016 Dixieland Delight to Burns Farms, Pikeville, TN, and Jared Ray Aden, Saint Joseph, IL, for an impressive average of \$5,125. Another maternal sister by Denver sold to Pollard Farms in Oklahoma for \$12,000 in our 2015 sale.

PF 5682 HENRIETTA PRIDE 0533
Dam of Lot 105 & third dam of Lot 106

- The donor dam of Lot 105 and third dam of Lot 106, Henrietta Pride 0533, is arguably the breed's most impressive daughter of Bismarck and one of the most popular daughters of the 6-million-dollar producer Sitz Henrietta Pride 643T. 0533 has amassed progeny sales in excess of \$650,000 on approximately 45 head and is still adding to it.
- 0533 was TRM's \$40,000 Lot 1 half interest selection from the 2013 Pollard Sale, where we also selected a heifer pregnancy from 0533 for \$7,500 that developed into the \$56,500 top selling lot in the 2014 Dixieland Delight. More recently, Brad Beharrell, Southwold, ON, purchased half embryo interest in 0533 for \$22,000.
- 0533 typifies the blend of phenotypic quality, numerical balance and genetic superiority that we seek. This powerful female is a favorite of all who have seen her. The same body, hip, and power that has attributed to her dam's popularity is instantly recognized in her flawless phenotype, and those traits are duplicated by her daughters and granddaughters.

Tennessee River Music

Thank you for your interest in what we've been doing since 1981

Special thanks to our good friend and auctioneer for many years, Col. Eddie Sims, for saving all our sale catalogs!

Without each and every one of you, none of what we do would be possible. We are forever indebted to our past, present and future customers.

Looking forward to the next 40!
